

Subject: Activation of credentials for the new electronic register service

Recipients:
Parents of
lower secondary school students

We inform parents of lower secondary school students that starting **from Monday 2 October 2023**, accounts will be generated for the use of the new Electronic Register. All parents will receive the access credentials, "Username", "Password" and "PIN", via an **automatic system** that will send two emails to the parents/guardians' personal address communicated to the school during registration. In the first message the "User Name" will be communicated, in the second "Password" and "PIN". The text of the messages is as follows

First message

Dear User, we are sending you your credentials to connect to Axios Scuola Digitale
Username = 0000012345
You will receive the password and PIN in a future email.
Please remember that it is mandatory to change your password the first time you log in.
The request for credential generations was made on xx/xx/2023 00:00:00 from the IP ---
.--- .---.--- for the Customer Tax Code 93024440161

Best regards.

Please do not reply or write to this email inbox, any emails will be ignored. Thank you.

Second message

Dear User, your account for accessing Axios Scuola Digitale has been generated
The Temporary Password assigned is xxxxxxxxxxxx
The PIN that was generated is xxxxxxxx . Please remember that you can regenerate it
from your user profile
Please remember that **it is mandatory to change your password the first time you log in**
.
The request for credential generations was made on xx/xx/2023 00:00:00 from the IP ---
.--- .---.--- for the Customer Tax Code 93024440161

Best regards.

Please do not reply or write to this email inbox, any emails will be ignored. Thank you.

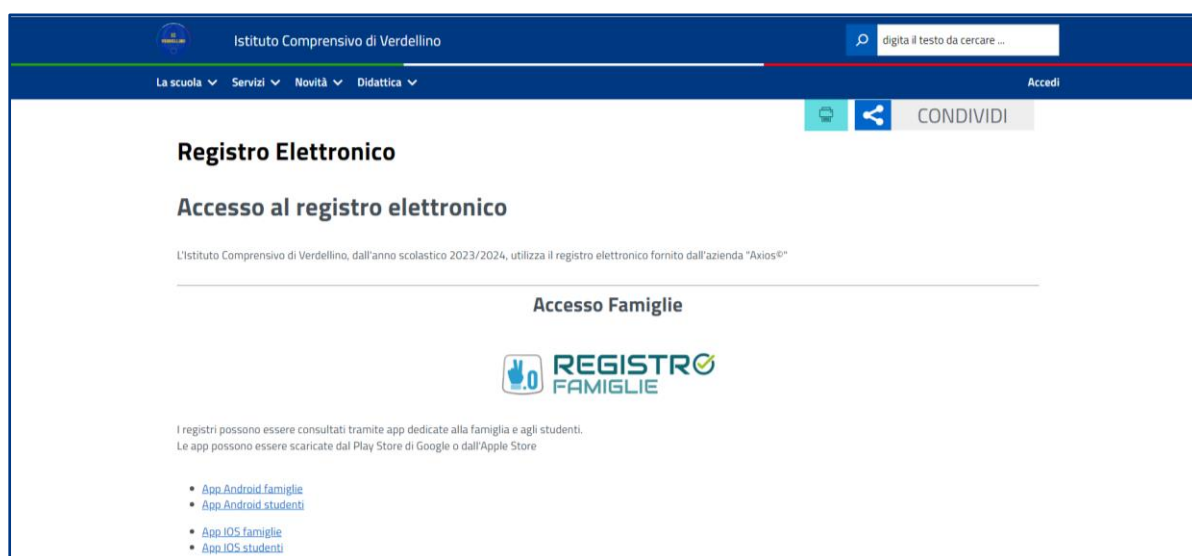

The password sent for the first login and the PIN are automatically generated by the software and no one knows its composition.

Access instructions

To access the electronic register, parents can visit the dedicated page on the comprehensive school's website, at the following address:

<https://icverdellino.edu.it/index.php/servizi/servizi-web/accesso-registro-elettronica>

and click on the "Family Register" image.

You can also access the electronic register directly from the following link:

https://registrofamiglie.axioscloud.it/Pages/SD/SD_Login.aspx?Customer_ID=93024440161

After calling up the page, the data to enter will be:

- **School tax code:** 93024440161 (data already filled in)
- **Username:** (consisting only of numbers and not editable)
- **Password:** after the initial password, to be changed, the new password chosen during account activation must be entered

The electronic register can also be consulted via apps for Android or IOS mobile devices; the apps can be downloaded from the following links:

- [Family Android apps](#)
- [IOS family apps](#)

In a second phase, only and exclusively for secondary school students, credentials will be created for students who will have their own dedicated app available for consulting the data intended for them.

In the event that, **by Saturday 7 October 2023**, the credentials have not been received, please send an email from your personal account with the request to regenerate the data, to the following address:

vicario@icverdellino.edu.it

In the message it will be mandatory to indicate:

- Name and Surname **of the Parent** who is requesting the credentials
- Date of birth
- Tax ID code
- Name and surname of the student
- Class and section attended

In the absence of this information, the request for credentials cannot be accepted and, to obtain the regeneration of the password, it will be necessary to go to the school administrative offices during office hours.

Thanks for your cooperation.

The headteacher
Eugenio Gaetano Mora
